

I want to withdraw from P+, former DIP with a cash payment of my deposit

I declare:

- that I have left my position at (company):
- that I have left my position on (date):
- that I leave/have left Denmark on (date):
- that at the time of payment I am neither employed nor have I entered into an agreement about employment which will result in membership of a pension fund or a pension scheme including an insurance element. This refers to Danish employment only.

I am aware:

- that the payment is subject to 60 percent taxation
- that P+ charges a DKK 1,000 administrative fee.

Please note that the date for leaving your position must include potential remaining paid holiday. If you have remaining paid holiday, P+ will receive contribution payments related to the paid holiday which must be included in the cash payment.

Payment

The cash payment is transferred to your NemKonto/Easy account. There are no banking fees. Please contact the pension fund if you do not have a Danish bank account.
